Leif,

FYI that we may be briefing David Ross (and presumably Susan Bodine) on **Ex. 5 AC/DP** on March 11th. We are awaiting confirmation which I'm assuming will be in the form of an invite.

We received a few changes to the **Ex. 5 AC/DP** today from J.T. and Mike Fisher. The changes seem relatively minor but **Ex. 5 AC/DP**

Ex. 5 AC/DP

My understanding is that **Ex. 5 AC/DP** I'll ask J.T. about that as well as I'm sure it will come up in the briefing.

Thanks,

Matt

No need to meet if you all are OK with those two changes (I understand JT sent the markup, but I've reattached it here).

If you have questions about them, let us know. We could resolve through email, a tcon, or meeting if folks would like.

Otherwise, we'll just wait for the meeting rescheduler.

Thanks

JT,

I was the lead author, and this version incorporates several rounds of comments from you as well as the rest of the team. We are briefing Dave Ross on it on the 11th (I have been told that the meeting on the 26th is moving up to the 11th, though still waiting for confirmation of that.) Do you want to set up a time to discuss on the 9th or 10th?

Mike Fisher and I have some concerns about the attached paper and have offered a small number of edits to address those concerns. I do not know who is the author and therefore who to send it to. We would also like to have a few minutes to discuss this before the March 26 option selection meeting.

Thanks and please let me know.
